A LETTER FROM THE TREASURER

Dear Friends:

Tax revenue received by Missouri government is down for the first five months of the current fiscal year. This will create serious problems in maintaining present levels of financing for public programs in the next fiscal year.

Total general revenue receipts for July through November are down 0.87 percent compared to the same period of the previous fiscal year. General revenue receipts for the newly completed fiscal period were \$680,404,854.

Leading the decline, as in previous reporting periods, was a sharp downturn in sales tax receipts.

Sales tax receipts were down 11.26 percent and totaled \$290,103,309 for July-November. The amount was \$36,816,318 less than sales tax revenue received in the same five months during 1979.

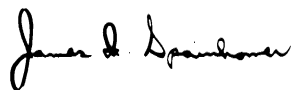

Tax revenue is down partly because of the recession and partly because of tax cuts approved by the State Legislature and the Governor.

At the same time, inflation has increased the cost of running Missouri government. And very soon there will not be enough money to finance state government at the present level of expenditures.

The predicament we are heading toward is no surprise. More than a year ago I issued a warning that state government was facing a shortfall of tax revenue and that prudent management of public monies should begin immediately.

The warning, however, was not heard by everyone. Now we have to find the answer to this extremely serious financial crisis. It will be the most crucial task our new governor and the State Legislature will undertake in 1981.

Sincerely,

James I. Spainhower
Missouri State Treasurer
